

## *Welcome back to the Victoria Pub and Kitchen*

Thank you for booking with us. Due to the current circumstances in order to adhere to government guidelines and keep everyone as safe as possible, there are just a few points that we need to highlight before your visit.

You'll be greeted at the door and seated at a table. We ask that you remain at your table for the duration of your time, as everything will be table service.

We are now cashless and will take card payments at your table.

Please make sure that if you are bringing young ones, that unfortunately due to maintaining social distance we no longer have any extra space alongside any tables inside to store any prams or pushchairs. Unless they are small enough to replace the space of a chair.

We are unable to take bookings of any more than six people, please bare this in mind when needing highchairs as this will be in replacement of a seat.

We are currently unable to reserve tables outside but are more than happy to move you out there if we're able too.

Please note that although we do allow and are very happy to be dog friendly, we now only have three dog friendly tables available inside. Please give us a call or email to double check that one will be available for you.
